## **NMETH 801 Practice Doctorate Project: Implementation**

DOCTOR OF NURSING PRACTICE FINAL PROJECT EXAMINATION RUBRIC

Student Name: Student Name	Date of Evaluation:
Project Title: Project Title	

La. Introduction supports relevance of problem/issue and/or project, including purpose statement			1		
I.a. Introduction supports relevance of problem/issue and/or project, including purpose statement I.b. Objective(s) stated in feasible and measurable terms 1.c. Background includes a brief summary of focused evidence related to the issue I.d. Process/Implementation approach clearly described including measures (use model/framework to organize this section I.e. Describes outcomes/deliverables, and the extent to which objectives were achieved or modified I.f. Conclusions/Recommendations/ Implications includes a brief summary of findings, and clearly articulates recommendations for agency and implications for future practice and practice inquiry I.g. Appendices include copy of deliverables (as indicated) I.h. Project taken as a whole supports integration of tripartite role (advanced practice, leadership, and practice inquiry) I.i. Agency executive summary writing is scholarly, clear and concise; referenced appropriately (AMA is default unless otherwise specified) II. Poster II.a. Poster is well organized, and demonstrates evidence of substantive scholarly effort and analysis II.b. Visuals/graphics are used appropriately and add to	Component	_	_	_	Comments
I.a. Introduction supports relevance of problem/issue and/for project, including purpose statement I.b. Objective(s) stated in feasible and measurable terms I.b. D\recoion 1.5 Created on 12/4/23

II.c. Poster includes introduction,	
purpose/objectives, background,	
implementation, outcomes,	
conclusions, and	
recommendations.	
II.d. Describes (or discusses in oral	
presentation) how framework or	
model chosen guided process	
II.e. Discusses finding and impact of	
project on health system/community	
and/or policy at the agency	
II.f. Describes extent to which	
objectives were achieved and any	
unexpected results or unintended	
consequences	
III. Oral Presentation	
III.a. Able to articulate and critique	
state of evidence related to project	
and strategies used to implement and	
evaluate	
III.b. Demonstrated collaborative	
partnership building and leadership	
skills in implementing project	
III.c. Able to articulate professional	
growth and application of leadership	
knowledge and skills	
III.d. Able to respond orally to	
questions related to project	
III.e. Confirms Executive Summary and	
electronic version of poster provided to	
agency contact
