

GRADUATE CERTIFICATE
ADVANCED PRACTICE ENVIRONMENTAL AND OCCUPATIONAL HEALTH
WORK AND HEALTH TRAINEES
2-YEAR SAMPLE CURRICULUM

Please note that this is a sample curriculum. As long as students maintain active graduate student status each quarter (not including summer), the program timeline is flexible. Students can take the program's courses on a schedule that works best for them, including a longer or shorter timeline, as classes allow. Students are encouraged to confirm when classes will be offered with the relevant departments. Any students who have concerns about the timeline for completing the program's courses are encouraged to contact the program director.
