- Doctor of Nursing Practice Core Course (all DNP students)
- Advanced Systems & Population Health Core Course (all ASPH students)
- Track and Shared Track (students by track focus)

\*Management/Budget Requirement (3 credits): Students take courses available on the UW Seattle campus to fulfill this requirement. See the chart on the following page for specific courses we have identified in the current UW course catalog.

\*\*Concentration Requirement (min. of 3 credits): Students take non-nursing courses available on the UW Seattle campus to further develop competencies related to the areas of Community Engagement for Health Equity; Global and Cross-Cultural Health; or Health Systems Transformation. See the chart on the following page for specific courses we have identified in the UW course catalog.

\*\*\*Graduate-level Elective Course (2 Credits): Students take graduate-level nursing or non-nursing courses available on the UW Seattle campus. The courses need to be relevant to CHN practices.
