

POPULATION HEALTH INITIATIVE  
UNIVERSITY *of* WASHINGTON

# Applied Research Fellowship Info Session

**Thursday, February 26 | 11:00am-12:00pm | HRC 101**

Join us for informational session to learn more about the 2026 Applied Research Fellowship. In-person or virtual attendance options.

The Applied Research Fellowship is run in partnership with the Population Health Initiative and the Center for Studies in Demography & Ecology (CSDE). The Applied Research project team will consist of both undergrads and grad students.

Please RSVP to let us know you'll be joining
