

Graduate Course Sequencing Snapshot
(arrows indicate pre-requisites)

Notes.

- Edpsy 580 or 490 satisfy pre-req for intermediate classes (Edpsy 513, 538, and 517).
- Starting Winter 2026, Edpsy 490 = 5 credits; previously Edpsy 490 = 3 credits.
- CTT = Classic Test Theory (Scale Reliability & Validity Metrics). CTT prior to SEM I.
- CDM = Cognitive Diagnostic Models for Assessment.
- CAT = Computerized Adaptive Tests for Assessment.
- On occasion, we offer seminars in specialized quant methods topics (Edpsy 584), which counts toward the PAA certificate's two advanced classes requirement.

* Counts towards Psychometrics & Applied Analytics (PAA) graduate certificate

PAA info: <https://education.uw.edu/academics/program/psychometrics-applied-analytics-certificate>
