

HealthPoint Nurse Practitioner Residency Program **INFORMATIONAL SESSIONS**

Overview

HealthPoint is excited to welcome Family Nurse Practitioners to our Nurse Practitioner Residency Program. The program starts **September 13, 2027** and is located in Tukwila, Washington. It is a two year contract which consists of our residency program for year one, followed by a year of full-time practice. As a resident, you will receive a competitive salary; health insurance; medical, dental & vision; paid time off (PTO) benefits; continuing medical education (CME) funds; and one conference registration.

Program Design

Our program and curriculum are designed to support recent graduates successfully transition to sustainable, independent practice in community health settings. Our program consists of continuity clinic, mentored clinic, specialty rotations, didactics, sustainability focus, Project ECHO and an independent project.
