Cleveland Clinic Children's

ADVANCED PRACTICE PROVIDER FELLOWSHIP

Begin your career at the heart

12 months to become a confident **pediatric cardiac critical care** NP or PA — paid, mentored and built for new grads.

12
months, fully salaried with benefits

12
clinical rotations, a mentor at each

50+
APPs & attendings teaching you

#6
nationally ranked pediatric cardiology

Your path to success

1 Critical care foundations

Master pediatric critical care fundamentals and grow into your APP role.

2 The heart, inside and out

Congenital heart disease, heart failure, cardiac diagnostics and monitoring.

3 Cardiac ICU practice

Put it all together as a confident, independent PCICU provider.

Why train with us

Mentored every step
Learn beside expert APPs & physicians.

Hands-on skills
Build procedural & critical care skills.

World-class heart care
A quaternary congenital heart center.

A career advantage
The emerging path into critical care.

Ready to apply?
Your heart's in the right place.
